

Enjoy an Evening of Sake with Swiss Cheese and See Japan through the Eyes of Swiss Photographer, Matthieu Zellweger

Swiss photographer Matthieu Zellweger, who has visited many sake breweries in Japan has published a photo album titled “Secrets de riz et d’eau” Les artisans du sake (Secrets of rice and water.) During his visit to Japan, Matthieu will stop by the Japan Sake and Shochu Information Center for a very special evening to share with us his sake stories and photos while we enjoy tasting a variety of sake and see how they pair with Swiss cheese. The event will be done in English and Japanese.

Please come and join us for this fun event.
